

REMARKS

In response to our March 23, 2005 telephone conversation, we are combining the features found in claim 85 with the features of claim 65, and then canceling claim 85 and claim 86. The Applicants thank the Examiner for noting the duplication of claims 85 and 86. The amended claim 65 is attached.

Therefore, upon making these changes per your direction, we believe that all of the remaining pending claims are now in condition for allowance. The Applicants sincerely thank the Examiner for the courtesies extended to the Applicants during the prosecution of this case.

CONCLUSION

In light of the amendments contained herein, Applicants submit that the application is in condition for allowance, for which early action is requested.

Please charge any fees or overpayments that may be due with this response to Deposit Account No. 17-0026.

Respectfully submitted,
